

WHY HEMP?

We chose hemp as the main ingredient of our dog products 22 years ago for all of it's amazing attributes. Just add your dog for a winning combination!

HYPO-ALLERGENIC

No more itchy/allergic dogs and peace of mind for you. Collar rash will be a thing of the past. Our leash handles are a delight for sensitive hands.

MACHINE WASHABLE
All earthdog products can be machine washed and dried. Just run with your dark clothing - what could be easier?

VEGAN

Plant based textiles are a compassionate choice. We're a vegan-owned company although we've product tested thoroughly on dogs!

EARTH-FRIENDLY
Hemp grows easily without herbicides and pesticides, matures rapidly and does not deplete soil. With over 25,000 known uses and counting, hemp is an important part of our planet's future.

THE IDEAL FABRIC

Hemp wears in like your favorite pair of old jeans or sneaks and gets softer and softer with wear and washing. With breathability and moisture-wicking properties your dog will be looking and feeling cool.
